

8h30	WELCOME COFFEE - EXHIBITION HALL	
9h00 - 9h40	Welcome & Introduction speeches - CASSIN AUDITORIUM Thierry Bièvre - Chairman Pôle Fibres Energivie, Michel de Mathelin - Vice chairman Université de Strasbourg, Anne-Marie Jean - Vice chairman of Eurométropole de Strasbourg Irène Weiss - Regional councillor Région Grand Est	
9h40 - 10h30	Opening Keynote Mario Cucinella - Architect - CASSIN AUDITORIUM	
10h50 - 12h05	Round Table: 55% less greenhouse gases in 2030, what contribution from building stakeholders? Fabrice Bonnifet - Sustainable Development Director Bouygues, Claire Ventejou - Transition, climate and innovation Manager Crédit Agricole Immobilier - CASSIN AUDITORIUM Albane Gaspard - Sector coordinator - Building and real estate foresight Ademe, Hugo Christy - Director Dirigeant Demain Matin	
12h05 - 12h20	PITCH STARTUPS David Perrin - CEO HWQ, Yannick Lafue - CEO Blackleaf, François Higel - Founder Ideal Therm - CASSIN AUDITORIUM	
12h20 - 13h20	LUNCH - EXHIBITION HALL	
	CASSIN AUDITORIUM	LONDRES 1
13h20 - 13h35	PITCH STARTUPS Ghislain Auclair - CEO Woodlight, Olivier Billa - CEO Ubeton, Sébastien Molas - CEO Purple Alternative Surface	CASE STUDIES Controlling energy bills through performance monitoring <i>Mission de commissioning sur le bâtiment Intency / Xpole</i> David Corgier - CEO CMDL Manaslu, <i>Intervention</i> Hicham Lahmidi - Director & AEE VP for Western Europe Elithis Solutions
	DECISION-MAKERS' TRIBUNE What can industry do to decarbonize its products and operations?	14h CONFERENCE R2S label, the connected building opens up to digital services <i>Smart Building Wave - Lille</i> David Desablance - Director of Business, Communication, CSR Policy VINCI Energies, <i>Smart Building - ECTP Campus - Dijon</i> Christian Rozier - President Urban Practices, <i>Smart Building - Crédit Agricole Alsace Vosges Headquarters</i> Pascal Maire - Real Estate Director Crédit Agricole Alsace Vosges, Alain Kergoat - Director of Programs Smart Buildings Alliance
13h35 - 14h35	Jean-Marc Vogel - Managing Director Western Europe Ledvance, Anne Wintemberger - President Vivialys, Christian Pimpie - Director of performance and sustainable concrete solutions Eqiom, Hugo Christy - Director Demain Matin	
14h35 - 14h50	PITCH STARTUPS Paul Levy - CEO Circular Impact Moduloop, Keylany Hassine - CEO Istya, Farid Maniani - CEO Tech4Gala	
	CONFERENCE Relational Cities - Resilience Strategies for cities	
15h10 - 16h00	Sonia Lavadhino - Urban anthropologist and geographer, founder of Bfluid, Frédéric Musselin - Director of Business Development and New Construction Systems Vivialys	
	PITCH STARTUPS	CASE STUDIES
16h10 - 16h25	Clément Carrato - CEO Arkeale, Nurra Barry - CEO Carbon Saver, Thomas Defontaine - Automatism and electricity Manager Solaronics ECS	Diversification of the energy mix in buildings, innovation with the heating networks <i>Use of industrial recovered energies to supply buildings with carbon-free heat</i> Arnaud Boyer - Director of Development and Prospective R-CUE, <i>Thermic solar on the heating networks</i> Adrien Letullier - Product Line Manager ENR Viessmann France
	DUO DEBATE Low-Tech / High-Tech, which paths to carbon neutrality?	
16h25 - 17h10	Thierry Bièvre - Chairman and CEO Elithis, Elmar Hasler - CEO of Baumschlagler Eberle Architekten GmbH, Cédric Simonin - General Manager Trianon résidences	
	DECISION-MAKERS' TRIBUNE What are manufacturers doing to decarbonize their offers and activities?	
17h20 - 18h20	Lucas Weiss - General Manager Voltec Solar, Pierre-Etienne Bindschedler - Chairman and CEO Soprema, Stéphane Marcinak - President Sauter Régulation France, Christine Muscat - Managing Director Knauf France, Hugo Christy - Director Demain Matin	
	ROUND TABLE What place for sobriety in carbon neutrality?	
18h30 - 19h45	François Liermann - President of the regional order of architects Grand Est, Jean-Christophe Visier - Prospective adviser Cstb, Colin Lemee - Doctor in environmental psychology Auxilia Conseil, Hélène Chartier - Director of Urban Planning and Design C40cities, Hugo Christy - Director Demain Matin	
19h45 - 20h00	PITCH STARTUPS Jean-Baptiste Landes - CEO Cactile, Pierre Chevalier - CEO Renovcoat	
20h00	PARTNERS' DINNER - ÉTOILE C ROOM	
		LONDRES 2
		ROUND TABLE Re-use, recycled materials, 2nd life materials integration in construction Cécilia Darcot - Project Manager, Re-employment Booster, Laurent Fehr - Development and Marketing Director Fehr Group, Thibaut Jacquet - Director Retrieval, Mickaël de Chalendar - Director of regional actions, Saint Gobain Solution France, Geoffrey Houbart - Sustainability & public affairs director Knauf Belgique
		CONFERENCE The performance of the shell, a necessity for a healthy, economical and low-carbon building David Corgier - CEO CMDL Manaslu, Philippe Boussemart - Chairman and CEO Sto France / President Mur Manteau, Raphaël Kieffer - General Manager Shoeck France, Yann Dervyn - President Dervyn Conseil
		CASE STUDIES Low-carbon materials - local, bio-based, recycled <i>Hemp concrete : hygrothermal attribute and standard of summer</i> Guillaume Delannoy - Assistant Manager Industrial Development and Research CODEM, <i>Cradle to Cradle®: How to implement circular economy</i> Christelle Englebert - Consultant-architect EPEA Germany, <i>Feedback on a recycled plant fiber insulation KNAUF ThermaSoft</i> Bruno Burger - Responsable pôle Aménagement Intérieur Knauf
		CASE STUDIES BIM : Case studies on community approaches <i>Conseil Départemental des Vosges</i> Steven Corgneau - Responsible for existing buildings, <i>Région Grand Est</i> Fabrice Rodenburger - Asset Management and Energy Efficiency
		ROUND TABLE Construction, renovation: off-site, a lever for low carbon Bertrand Burger - President Burger et Cie, André de Chefdebien - Innovation and Strategic Marketing Director Rector Lesage, Frédéric Musselin - Business Dev. and New Constructive Processes Manager Vivialys, Jean-Sébastien Lauffer - Technical Director Techniwood

8h30	WELCOME COFFEE - EXHIBITION HALL		
	CASSIN AUDITORIUM	LONDRES 1	LONDRES 2
	ROUND TABLE	CASE STUDIES	CASE STUDIES
9h00 - 10h15	How to efficiently renovate 1 million homes per year? Yamina Saheb - Lead Author IPCC, Rodolphe Deborre - Director of Innovation and Ecological Renaissance Rabot Dutilleul, Méka Brunel - Vice presidente Fondation Palladio, Jocelyn Gac - Director of Research and Development Les Compagnons du devoir, Guy Keckhut - Moderator	Low-carbon neighborhoods' planning <i>Project of Citadelle District in Strasbourg</i> Thalie Marx - Project manager for the building and housing sector Eurométropole de Strasbourg, <i>Measure the energy-carbon performance : feedback on close to fifty operations along with UrbanPrint</i> Morgane Colombert - R&D project manager, smart and sustainable city Efficacity, <i>Sustainable and climate-neutral districts with the DGNB System</i> Nicole Valentini Fedrizzi - Sustainable Districts, Department of Network and Consulting DGNB	Buildings for a low-carbon and resilient city <i>Wood construction of an high school with straw insulation</i> Armand Dubois - Business manager Eiffage, <i>Eco'City Epinal : local distribution network and biobased for tomorrow cities</i> Jacques-Alexandre Vignon - Directeur du développement Les Constructeurs du bois, <i>Next Unit Umar the key to sustainability: zero emissions and zero waste</i> Alexandra Mrzigod - Spokeswoman of the WS Task Force "Zero Emissions" Werner Sobek
	DECISION-MAKERS' TRIBUNE		CASE STUDIES
10h35 - 11h15	What are manufacturers doing to decarbonize their offers and activities? Andreas Wade - Head of Sustainability Viessmann, Frédéric Didier - General Manager Wienerberger, Valérie David - Sustainable Development Director Eiffage, Hugo Christy - Director Demain Matin		Thinking about renovation at the neighborhood level <i>Feedback on the performant energetic renovation of detached house</i> Xavier Lemoine - Mayor of Montfermeil, <i>Report on energetic performance of neighborhoods</i> Jean-Luc Buchou - General Delegate Cercle Promodul, INEF 4
	CONFERENCE	CASE STUDIES	CASE STUDIES
11h20 - 12h05	Ways to limit land artificialisation Florence Bannier - Head of partnership and innovation Up factor, Vincent Aurez - Director of Innovation, Sustainable Dev. and Communication Novaxia, Guillaume Sever - National referent on construction BPI France	The contribution of BIM in the construction phase <i>Construction site experimentation : BIM from a to z</i> Nicolas Henry - National Energy Manager / Referent B.I.M Les compagnons du devoir	On summer confort <i>Natural cooling buildings in heat seasons</i> Philippe Sigwalt - Architect PSA Architecture, <i>Effects on urban microclimate from conception choices to improve summer confort in buildings</i> Maxime Doya - Project manager, building envelope thermal expert TIPEE, <i>Cool roof and adiabatic cooling (energetic performance and summer confort)</i> Rémi Perrin - Research and Development Director Soprema
	CONFERENCE	CASE STUDIES	CASE STUDIES
12h10 - 12h55	What future for robotics in construction? Valérie David - Sustainable Development Director Eiffage, Sigrid Brell-Cokcan - Co-Director Center Construction Robotics RWTH Aachen University	Innovating in the financing of the renovation of the tertiary sector <i>Feedback : the Intracting</i> Johan Mertz - Energy advisor Terres de Lorraine, <i>Finance the remainder in tertiary and industry</i> Sandrine Pozo - Regional Director - Tertiary-Industrial Market IDF North East Greenflex	Adapting skills to tomorrow's professions <i>Presentation of the european project Assist Bat</i> Sylvaine Corbin - French leader - Coordinator Assist Bat CAUE 74, <i>BTP training digitalisation</i> Fanny Stahl - Training-Communication policy officer IFRB Grand Est
12h55 - 13h55	LUNCH - EXHIBITION HALL		
13h55 - 14h10	PITCH STARTUPS		
	Christian Weisse - CEO MCVE Technologie, Charly Coppieters - CEO Skysun, Sandrine Ziegler-Munck - Communication Manager Arketex		
	DEBATE	CASE STUDIES	CASE STUDIES
14h10 - 14h50	Ecological crisis: an opportunity for a long-term vision of the company Benoit Bazin - CEO Saint Gobain, Christian de Perthuis - Head of the Climate Economics Chair, Olivier Mirguet - Journalist La Tribune		
	ROUND TABLE	ROUND TABLE	ROUND TABLE
15h10 - 16h20	The role of buildings in a low carbon energy network Etienne Wurtz - Research Director CEA-INES, Hervé List - Director of Public Affairs Grand Est RTE, Marc Helfter - R&D Director Hager Group, Nicolas Poinsot - Business Developer Energy Storage Solution Socomec, Delphine Desgurse - Innovation Director Iko Real Estate, Guy Keckhut - Moderator	For a better implication of users in buildings' projects Christophe Luttmann - Commercial Director Drill heat, Jocelyn Gac - Director R&D Les Compagnons du devoir, Gwenaëlle Verrier - Architect Positivarchi, Adrien Rosi - Low carbon building strategist consultant / Chairman CEE CONNECT Nicolas Gentner - Engineer Schilliger bois, Franck Le Nuellec - Marketing, development & strategic innovation Director Ccca-BTP	For a better implication of users in buildings' projects Marion Jestin - Design leader Onepoint, Lidia Zerrouki - General Delegate SBA, François Pitti - Group VP Strategic Marketing and Foresight Bouygues Construction, Olivier Kinder - General Manager of Boulle Promotion and President of the French Federation of Real Estate Developers, Claire Cauchetier - Brand and development manager Eithis Groupe
16h30 - 17h10	CLOSING KEYNOTE The frugal economy: building and living better with Less Navi Radjou - Advisor & essayist - CASSIN AUDITORIUM		
17h15 - 17h50	GRAND E-NOV - GRAND EST TRANSFORMATION AWARDS CEREMONY - CASSIN AUDITORIUM		
17h50 - 19h50	NETWORKING COCKTAIL - ÉTOILE C
